As this semester is coming to an end, I have a few reminders.

For the most up to date information regarding scholarships, applications, and all other things please **like and follow the SVHS Social Worker/Counselor Facebook page!**

For grade specific information, check out your child's **Class Schoology page**. Students should be checking this regularly to stay in the know on dual enrollment, scholarships, etc. **New scholarships have recently been added!**

Please remind your child to be **checking their school email regularly!** I cannot emphasize this enough. Email is my best way of contacting students. If your child would like to meet with me, they need to send me an email to make an appointment.

The best way to contact me and for the quickest response is email!

Lastly, high school is the time for your child to gain **self advocacy skills**. Please encourage them to take an active role in their preparations for life after high school. To help them develop these skills needed for after high school, we have to give them the opportunities to do so. **Students should be as informed as their parents, if not more informed on their post graduate plans!**
