

Purpose and Content

The TCHS Choral Department is an organization dedicated to educating young people about music. Each choral class is not only a class, but also an automatic membership into the organization. Therefore, all TCHS Choral Department policies must be followed by all students.

Concert Choir is designed for the development of skills in vocal technique, sight-reading, vocabulary enrichment, and performance skills. It is designed to develop large group choral singing skills, which require advanced listening and vocal skills and personal commitment to quality rehearsal. Members must be willing to schedule concerts and sometimes after-school rehearsals to maintain membership. Elements are mastered for the purpose of performances in school, festivals, and community. Membership in Concert Choir requires a commitment to quality rehearsal and performance. Knowledge of and mastery of rehearsal and performance skills must be demonstrated for continued membership in Concert Choir.

Required Materials

- One inch three ring binder
- Loose-leaf paper and staff paper
- Various choral octavos
- Red marking pencil, highlighter, and regular pencil

*All of the above materials are provided by the choral department.

Grading

Grades in the choral department are largely based on participation. Students will receive a daily participation grade and will also have at least one major performance each nine weeks. Students will also be given written theory tests throughout the year. In order to receive full credit for participation in a choir class, a student should do the following:

- Attend class each day
- Actively participate in class each day
- Refrain from talking and disturbing others when not singing
- Have only required materials at seat
- Attend required performances, on time and in the correct uniform

Points will be deducted from the daily participation grade if students fail to meet the above requirements.

For performances, students will receive deductions for unexcused absence, tardiness, incorrect uniform, and improper concert etiquette. Please be aware that students who do not attend required performances may receive a failing final grade.

Performance Dates and Excused Absences from Performances

Performance dates are published at the beginning of the school year and on the choral department website's calendar. Reminders are sent via email and text throughout the year. In order to receive a passing grade for a performance, students must attend the performance. If a student can not attend a performance, he/she must complete an Absence Request Form and submit to the director NO LATER THAN two weeks prior to the performance date. After the director receives the form, the absence will be considered for excuse. If a student falls ill prior to a concert, the student or parent MUST contact the director via phone or e-mail and then provide a doctor's excuse in order to have the absence excused. Finally, students who are excused from a performance must see the director to schedule make-up work, which may include written work or an aural exam.

Performance Attire

Concert Choir's performance attire will consist of a formal choral dress for formal performances, and the TCHS Choir t-shirt for informal performances. Students in the choral department will rent the official choral department dress from the choral department. Each student is responsible for providing her own appropriate footwear (black closed-toe dress shoes). For informal performances, students may be asked to provide their own uniform pieces in addition to the TCHS Choir t-shirt.

Financial Obligation

School Course Fee	\$25 per class (paid at schedule pick-up)
Choral Department Fee	\$100 per year

The Choral Department fee includes all uniform costs (rental, hemming, etc.), choral department t-shirt, field trip costs, costs of classroom supplies, and sheet music. This fee also helps cover the rental of performance venues for concerts, accompanist fees, and many other costs incurred throughout the year.

The Choral Department fee is due by March 1st. Students may pay the amount in one payment, or they may break the amount up into smaller payments. Students will also have the opportunity to pay this amount through fundraising. Students with extenuating circumstances should discuss alternate arrangements with the director. Students who have unpaid financial obligations from previous years will be REMOVED from the class roll if these fees are not paid by the last day of schedule changes.

Classroom Expectations and Discipline Order

There are three classroom expectations that must be followed at all times:

- Be Safe
- Be Responsible
- Be Respectful

Those who are unable to follow the classroom expectations will be subject to discipline. Minor infractions will be dealt with in the following order:

1 st infraction -	Verbal Warning
2 nd infraction -	Disciplinary Writing Assignment
3 rd infraction -	Parent Contact
4 th infraction -	Discipline Referral

Other more serious discipline issues (including Class Three Infractions) will be dealt with per the TCSS policy.

Classroom Procedures

Classroom procedures will be outlined at the beginning of each year. Students are expected to follow procedures for entering and exiting the room, storing personal belongings, keeping the classroom clean, asking to be excused from class, turning in money, turning in forms, etc.

Tardy Policy

Students are expected to be in their assigned seat with required materials when the bell rings. Students who are tardy will be dealt with per the TCHS Tardy Policy.

Cell Phone Policy

Use of cell phones during rehearsal is rude, disruptive, and will not be tolerated. Students who are seen handling cell phones during rehearsal (whether in purses, pockets, or hidden behind binders) will be dealt with per TCSS policy.

Parent/Student Communication

The TCHS Choral Department uses two services to help communicate effectively with parents and students. ALL newsletters, financial statements, and any other important information will be e-mailed to parents through the CHARMS office assistant (see enclosed information about how to log in to CHARMS). Paper copies WILL NOT be sent home. Parents and students are responsible for entering valid contact information in the CHARMS system. Additionally, students and parents are encouraged to subscribe to text and/or e-mail alerts using REMIND (see enclosed information about how to subscribe). Parents are also encouraged to call or e-mail the director with any questions or concerns throughout the year.

Additional Information

The Acknowledgement Form MUST be returned to the director by the last day of schedule changes. Students with missing forms will be REMOVED from the class roll.
