Individual Event Acknowledgement Form

I understand that any audition fees are non-refundable, even if I should decide not to audition or am not selected for the festival. I understand that I am responsible for learning my music for all auditions and that class time will not be spent learning this music. I understand that I must pay an additional amount if I am selected for many of the festivals. I understand that All-State members will not be excused from any rehearsal for any reason and that if I audition and am selected, I will be obligated to attend ALL rehearsals and the entirety of the concert. I understand that if I am selected, excessive absences and discipline referrals AFTER the audition process may result in removal from the list of participants.
