

21<sup>st</sup> Century Community Learning Center  
Collins-Riverside  
Intermediate School

**2022-2023  
Fall Advisory  
Council  
Tiger Pride Program  
December 6, 2022**

1

**21<sup>st</sup> Century Community Learning Centers (CCLC) Key Focus Areas:**

- Improving academics, school day behavior & attendance
- Providing STEM interactive activities
- Increasing parental involvement & offering educational opportunities for parents
- Serving communities through service-learning projects

2

**21<sup>st</sup> CCLC programs also focus on other areas:**

- Nutrition/wellness/physical activity
- Computer skills
- Career exploration
- Arts education
- Financial literacy
- Environmental education
- Cultural awareness
- Anti-bullying/drug/violence education

3

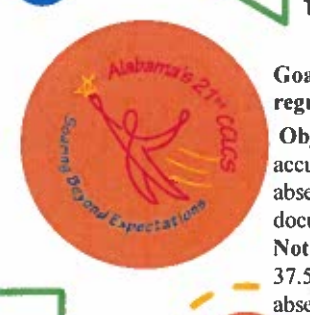

**Tiger Pride Goals/Objectives  
Outcomes 2021-2022**

**Goal 1: Provide academic enrichment and remediation opportunities to improve student achievement to meet challenging state academic standards for reading/math**

**Objective 1.1:** 40% of CLC participants will improve their semester average in language arts or math from fall to spring as indicated by report cards

**Met:** English scores improved from fall semester to spring semester for 18 of 32 students (56%) while math scores improved for 12 of 32 students (38%) enrolled in the afterschool program. It is important to note that 66% of students maintained or improved their initial letter grade in either math or English when comparing the fall to spring semester.

4

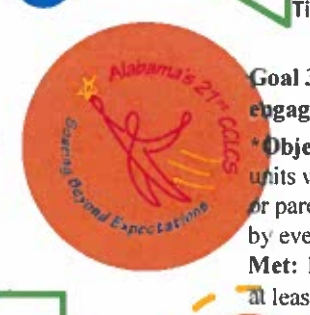

**Tiger Pride Goals/Objectives  
Outcomes 2021-2022**

**Goal 2: Increase attendance for the regular school day.**

**Objective 2.1:** 95% of students will accumulate no more than 14 absences for the school year as documented by report cards.

**Not Met:** 12 out of 32 students or 37.5% of students had more than 14 absences.

5

**Tiger Pride Goals/Objectives  
Outcomes 2021-2022**

**Goal 3: Increase parent and family engagement**

**Objective 3.1:** 30% of CLC family units will attend at least one program or parent/family event as documented by event sign-in sheets.

**Met:** 18 family units or 60% attended at least one parent event.

6

**Tiger Pride Goals/Objectives  
Outcomes 2021-2022**

**Goal 4: Improve student behavior throughout the regular school day**  
**Objective 4.1:** No more than 20% of students will receive an office referral resulting in suspension for the school year as measured by suspensions in the school's data management system, i.e. i-Now.  
**Not Met:** 12 out of 32 students or 37.5% received an out of school suspension.

7

**Tiger Pride Goals/Objectives  
Outcomes 2021-2022**

**Goal 5: Implement Science, Technology, Engineering, and Math (STEM) activities**  
**Objective 5.1:** CLC students will participate in weekly STEM related, hands-on activities as shown by teachers' lesson plans, pictorial documentation, and completed projects.  
**Met:** All students who were present on days where hands-on STEM activities were scheduled participated in the activities. All CRIS Afterschool Program participants attended at least one STEM activity in the fall and spring.

8

**Tiger Pride Goals/Objectives  
Outcomes 2021-2022**

**Goal 6: Provide service learning opportunities**  
**Objective 6.1:** Students will participate in at least 1 service learning project during the academic year and 1 project during summer program to help address identified community needs as documented by teachers' lesson plans, pictorial documentation, and completed projects.  
**Met:** All students (100%) engaged in at least one service-learning project during the academic year and 1 project during summer program.

9

**Tiger Pride Fall Staff**

**Ms. Craig:** Arise/Computer Ed/Cultural Ed  
**Ms. Flanigan:** STEM/Walking Classroom  
**Sophia Williams:** Catch Kidz Club-Physical Education/Nutrition and Music  
**Micah Hall:** Catch Kidz Club Physical Education/Nutrition and Music  
**Coordinator:** Beatrina Williams

10
