

TUSCALOOSA COUNTY SCHOOL SYSTEM DUAL ENROLLMENT/DUAL CREDIT AGREEMENT

The Tuscaloosa County School System is honored to partner with multiple colleges and universities to offer Dual Enrollment and Dual Credit (DE/DC) opportunities for its students. Students who meet eligibility requirements must declare their courses as dual enrollment or dual credit before courses begin each semester. Their definitions are as follows:

DUAL ENROLLMENT (DE) is available to students who would like to earn college credit. DE students may take college courses and will receive college credit **ONLY** for all coursework. DE students' courses and grades **will not** be reflected on the high school transcript but **will be** reflected on the college transcript alone. No weighted credit is awarded for DE courses.

DUAL ENROLLMENT/DUAL CREDIT (DE/DC) is available to students who would like to earn both high school and college credits for the equivalent course(s). DE/DC courses **will** be posted to the college transcript, **will** be added to the high school transcript and **will** be calculated into the overall grade point average (GPA). Weighted credit **may** be awarded as appropriate.
