The buses unload at the awning adjacent to the gym parking lot in the rear of the school. Walkers will also enter and exit the building in this location. Car riders unload in front of the school. **Students may not be dropped off at school prior to 7:25.** This is a safety issue.

Parents who are transporting their children to and from school must form a line in front of the building. Students may not exit their cars until the doors to the school open at 7:25 a.m. In the afternoons, students will be dismissed to the front of the school and will load into their cars. If you pull up and your child is not waiting out front, you will need to drive to the end of the car line and come through again.

All car riders must be picked up and dropped off in the car line. Students may not be picked up or dropped off in the parking lot. Also, please use the car line for pick up. Do not park in the parking lot and walk across to get your student.

Students will not be permitted to check out after 2:15.

Please make sure your child knows how to get home each day before they come to school. We cannot accept telephone calls, emails or text messages to make changes in transportation. Student transportation cannot be changed after the start of the school day. This is for the safety and security of our students. The school also cannot allow students to ride buses to which they are not assigned. Any changes to bus transportation must be completed through the Tuscaloosa County Transportation Department.

Students are not permitted to return to the building after dismissal.

If you are late picking your child up from school, you may be charged \$10 for every 5 minutes the child is here.

Identification should be put on all outer clothing such as coats, sweaters, etc.

Lost and Found

Items that are found around the school are placed in the Lost and Found. Students are welcome to check for lost items. Due to the overwhelming volume of articles of clothing that accumulates over the school year, Lost and Found will be emptied at the beginning of Thanksgiving Break, Winter Break, Spring Break and the last day of school.

Electronic Devices

Please do not allow your children to bring electronic devices to school. The school is not responsible for lost, stolen, or damaged personal electronic devices. Students **may not** use phones to call, text, take pictures, listen to music or check the time while at school. **Cell phones must be placed on silent mode and remain in their backpacks.** Apple Watches may be worn, but must also be silenced and may not be used for any purpose other than to check the time. Bluetooth earbuds are NOT allowed. If a teacher sees or hears a cell phone/watch/device at any time, they will confiscate it and send it to the office. A **parent** must come in to retrieve the device 24 hours after confiscation. There is a 48 hour hold for a subsequent offense. Cell phones will not be returned to a student for any reason. Repeated violation of the electronic device policy will result in further disciplinary action.

Visitors may not use cell phones at any time during their visit. This also includes hands-free and Bluetooth devices. If a visitor is seen using a cell phone they may be asked to leave the building.

Communication

Communication between parents and teachers is essential to providing your children a quality education. Communication will take place via SchoolStatus. Please remember that teachers are busy instructing throughout the day and will not be able to return messages/emails until their planning time or after school. Please allow for a 24-hour response period.

Students are generally not permitted to receive personal phone calls at school. In the event of an emergency, a message may be taken by the office at the principal's discretion.

Field Trips

ALL FIELD TRIPS ARE NON-REFUNDABLE

Field trips serve an important function in the education process. **Permission forms will be sent home in advance of the trip and must be signed and returned prior to the field trip.** Please return this form and the required amount of money to the school by the due date. We encourage parent participation on trips; **however, siblings are not permitted to participate.** Field trips are an extension of the school day and are designed for the school age child. **Parents must complete a background check and/or provide their ID for the Raptor Identification System to receive their badge 1 week before going on a fieldtrip.**

Only 1 parent/grandparent may attend a field trip with a student. This individual must be named on the permission slip and **MAY NOT** change without the permission of the principal. Only the parent/guardian or a grandparent is permitted to attend a field trip. We do not allow other family members or friends to act as chaperones or attend field trips with students. If multiple parents/adults show up for a field trip or bring other siblings or children, they will be asked to leave and will not be permitted to attend future field trips with Northport Intermediate.

All students must ride the bus on field trips. Students may not be transported to a field trip by their parent. A parent may only check out their student after the field trip. Students **WILL NOT** be permitted to be checked out from a field trip by anyone other than their parent or guardian even if that person is on their check out list.

Medicine

Over the counter medications may be dispensed during school hours by the school nurse with a completed medication form signed by the parent. Any medicine needed for longer than 10 days will require a physician's letter. Medicine must be in the original container and properly labeled with the following: Student's name, date and time to be administered, name of medication, and dosage.

DO NOT SEND ANY MEDICATION TO SCHOOL WITH YOUR CHILD. All medication must be signed in to the nurse by a parent.

Prescribed and daily medications require a medication form and physician's signature.

Students who vomit or have diarrhea while at school must be picked up by a parent. They **WILL NOT** be placed on a bus under any circumstances. Students who vomit or run a fever (99 degrees or higher) at school **WILL NOT** be permitted to return to school for 24 hours. This is to prevent the spread of viruses and sickness within the school.

Parent/Teacher Conferences

Teachers are always glad to conference with parents. Please call, email or send a note by your child, indicating you would like a conference. The teacher will get in touch with you to schedule a time. Remember that teachers cannot leave their classroom during instruction to answer the phone or talk to parents.

Discipline

Students are expected to follow all school and classroom rules at all times. Failure to do so will result in consequences. Our teachers will establish a classroom behavior management system that offers the following protocol for handling problematic behavior:

- Warnings
- Parent contact/conferences
- Administration (only when prior steps have been taken unless the offense is a Class II or III violation of the Code of Conduct)

This may include a verbal correction, silent lunch, loss of privileges, office referral, detention, in-school intervention, suspension or expulsion.

Detentions

Detentions are assigned on either Tuesdays or Thursdays depending upon the day the monitoring teacher can stay. It is the parent's responsibility to arrange transportation after detention. If a student is scheduled for a detention and is unable to serve it, the parent must provide notification to the school prior to the detention. The detention may be rescheduled by the principal, assistant principal or designee only once for the next detention day. If the student misses the rescheduled detention it will be categorized as defiance and they may be assigned an out of school suspension.

If you are late picking your child up from detention, you may be charged \$10 for every 5 minutes the child is here.

Out of School Suspensions

Major offenses may result in an out of school suspension. These will be assigned by the principal, assistant principal, or designee. Upon completion of the suspension the parent must meet with the principal, assistant principal, or designee to reinstate the student. A student **MAY NOT** return to school until after this reinstatement has taken place.

Bus Suspensions

Riding the school bus is a privilege. Students are expected to sit in their assigned seat for the entirety of the bus ride and follow all rules and directives of the bus driver. If a student misbehaves on the bus he/she may be suspended off the bus for a period of time. Serious or repeated infractions may result in a child being removed from the bus for the remainder of the school year.

Parent Involvement

Parent Involvement is a vital part of life at Northport Intermediate School. We appreciate our awesome parents and want as many parents as possible to help. Please "like" our PTO Facebook page and follow along for ways to become involved at our school.

Parent volunteers must leave at dismissal unless they are with a faculty member or have received permission from the principal.

Tuscaloosa County Board of Education

Student/Parent Information Guide

At the beginning of each school year each student is provided a Student/Parent Information Guide to examine. Northport Intermediate adheres to all policies and procedures included within this guide.

Visitation

Northport Intermediate does NOT allow parent visitors until after Labor Day. This gives our teachers time to acclimate students to the procedures here at school.

Parents are encouraged to eat lunch with us on any given day of school. All parents/visitors must sign in at the office. Please enter the building using the front door. **You will need your driver's license to check-in at the office before you are allowed into the rest of the building.** The office will then provide you with a Visitor badge. This badge must be visible at all times. This is to ensure that our school is a safe place. Please remember that classes are on a strict schedule for lunch times. Once their class's lunch time is over, the student must follow the class back to their room. Students may not stay behind once the class leaves and the parent/loved one is not permitted to go back to the classroom after lunch. Please do not bring soda for your child. Soda is not permitted at school.

Classroom visits are reserved for parents to observe the classroom. If a parent wants to visit their child's classroom, they must make arrangements with the teacher at least 24 hours in advance. The parent also must sign in the office. While in the classroom, the parent may NOT speak to the child, other children in the room, or the teacher. The teacher will establish the duration of the visit prior to the day of the visit. If you are volunteering, please be respectful of the teacher's rules and procedures at all times.

Attendance

An absence is defined as nonattendance in a regularly scheduled class or activity. To be counted present, a student must be present more than 50% of the allotted time period.

Excuses

In accordance with Alabama law, parents/legal guardians must explain the cause of every absence of students under their control or charge. Every student, upon return to school, must bring a written excuse from home within **two (2) days** following the absence signed by the student's parent/legal guardian for each absence and present it to the Principal or his/her designee. After a total of ten (10) absences in a school year for elementary and middle school students, the parent/legal guardian of student will be required to provide medical or legal documentation for absences to be excused. All written excuses shall be retained for the remainder of the school year in the Principal's office or other approved location.

Excused Absences

All student absences shall be designated as either excused or unexcused. In accordance with Alabama law, a student shall be excused for an absence from school for any one of the following reasons:

- death in the immediate family;
- inclement weather which would be dangerous to the life or health of the student as determined by the Principal;
- legal quarantine or subpoena;
- with prior permission of the Principal and consent of the parent/legal guardian;
- emergency conditions as determined by the Principal; or
- official religious holiday.

Unexcused Absences

Absence for reasons other than those defined above shall be considered as unexcused.

Truancy

Truancy is the habitual and unlawful absence from school. In accordance with the *Code of Alabama*, the parent/guardian is responsible for requiring any student under his/her control or charge and under 17 years-of-age to attend school (Policy 5.43)

Early Warning Truancy Prevention Program

The Early Warning Truancy Prevention Program (EWTPP) requires that a weekly report be submitted to the Student Services department for all students between the ages of 6 and 17 having unexcused absences. It further recommends that the parent/legal guardian be notified of their child's third unexcused absence. Upon the occurrence of a fifth unexcused absence, the parent/legal guardian and student are required to attend an EWTPP conference. At the conference, the parent/legal guardian and student are informed of the State's compulsory attendance laws, court procedures, and consequences of further unexcused absences (Policy 5.43).

Chronic Absenteeism

If a student is absent 10 or more days in a school year, they are considered to be a "chronically absent" student. If a student reaches 10 absences, excused or unexcused, the parent may be required to meet with the principal or his designee each time the student returns from subsequent absences.

Procedure for Tardiness

A tardy is defined as a student's arrival after the official time set for the commencement of the respective school's regular daily activities (i.e., homeroom, roll call, etc.). Tardiness is a Class I Offense in the Student Code of Conduct. Tardiness, for the most part, reflects improper planning and a disregard for punctuality. Tardiness to school is not distinguished as excused or unexcused. If a student is late, he/she is considered tardy. Exceptions will be made for a doctor or dentist office visit if the student brings a note from the doctor or dentist. All other exceptions must be approved in writing by the administration.
